

Alumni activities

All Welingkar Passed out students are invited to join the Alumni Network of the Institute and they are actively involved in the placement support, GDPI Process, Various lecture sessions and other extra curricular Activities. In the Academic year 2015-16 alumni of Bangalore campus travelled from different parts of the country to their old turf WeSchool, Mumbai campus on **November,2016.**

With the proliferation of social media platforms like WhatsApp, Facebook and Twitter have collectively debunked the "six-degrees of separation" theory, not only to connect with one another socially but also provides the means for networking, marketing and advertising activities. But because of this social media over connectivity we have somewhere become disillusioned to meet our peers personally.

This trend was observed over the past couple of years, when the attendance for the Alumni Day was falling year on year.

Precisely to overcome this barrier and to share the happiness over WeSchool's unswerving growth and success as a bigger family, this year WeSchool had organized 2 alumni meets for its full time as well as its part time master's alumni. To revisit the Nostalgia Lane, this year the theme for the alumni meets was "We Mela".

We welcomed over 850 Alumni dating back from first batch to the recently passed out alumni. This year we commenced the alumni meets with a different format including different fun-filled engaging activities for our Alumni revisiting campus since their graduation. These diverse activities ranged from a Cricket Match to a stand-up comedy act by India's top 6 stand-up comedian Mr. Sorab Pant. It also included a stunning performance by WeSchool's own Band and Dance performance as well as a special flash mob Dance by our Students .

Both the meets were well attended and participated by our alumni. We at WeSchool also enjoyed the events and interacted with many enthusiastic alumni which has encouraged us to host many such events in the future as well

Alumni network chapters	Major activities
1 Annual Cricket tournament 'WeCKT' nad football tournament 'Jogabonito'	Cricket & Football Tournaments where alumni team actively participate and compete with the current batch students as well as faculty team

Career Development Cells Support On Campus And For The Alumni.

Alumni Insights

Alumni Insights at WE School offers different opportunities for its Alumni community to get associated with College activities/programs depending on Alumni areas of interest. Alumni Clique is a forum shared by students, faculty and alumni with the theme on “Link, Care & Share” for each other. As a part of the feedback session where in Alumni discussed on topics like;

- The difference MBA qualification brought to their career,
- How is the current business scenario in the respective industry Alumni working,
- Which are the new topics(new skill sets) today’s manager should be well versed with,
- Competencies development gap in the curriculum,
- Suggestions for the improvements of the institution and areas in which Alumni can contribute,
- Suggestions for active functioning of Alumni Clique etc.
