Master of Management Studies (MMS)

Year 2016-17

From Director's Desk

Prof. Dr. Uday Salunkhe
Group Director

"The illiterate of this century will not be those who cannot read and write,
but those who cannot learn, unlearn, and relearn."

- Alvin Toffler

It's a VUCA world where the rules of the game have changed and undoubtedly, we are convinced of the need for a radical change in management education.

Emerging unarticulated needs and realities need a new approach both in terms of thought as well as action. Cross disciplinary learning, discovering, scrutinizing, prototyping, learning to create and destroy; one's lenses and thinking needs to be nurtured to be able to adapt and transform businesses and society.

Welingkar is focussed towards developing future ready managers and leaders, who are versatile, competent and value based. Welingkar's guiding philosophy has been that of AAA which stands for "Acquisition, Application and Assimilation of knowledge". Our emphasis is not only on acquisition of knowledge; but on the application of knowledge. We strongly believe that by engaging students in pursuing real-life projects/simulations/case studies, wherein they are able to apply the concepts learnt leading to assimilation of knowledge. Our efforts are towards creating an environment conducive to experiential learning.

I proudly present this brochure which unfolds the world of Welingkar and about the experiences, achievements and our commitment to disseminate knowledge to create a brighter future for you. After all, nothing enlightens the human mind like good education.

Appeared** for the final year examination of any Bachelor's degree to be awarded by any of the Universities incorporated by an act of the central or state legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a University under Section 3 of the UGC Act, 1956 of minimum three years duration in any discipline recognised by the Association of Indian Universities, or an equivalent qualification recognized by the Ministry of HRD, Government of India. Such candidates can be considered for provisional admission subject to passing the Degree exam with minimum of 50% marks in aggregate* or equivalent CGPA (45% in case of candidates of backward class categories and Persons With Disability belonging to Maharashtra State only).

*Aggregate marks means the grand total of marks obtained by the candidate in subjects based on which the class declaration is made in the particular University from which the candidate is passing the qualifying examination. The percentage of marks obtained by the candidate in the bachelor's degree would be calculated based on the practice followed by the University / institution from where the candidate has obtained the degree. In case the candidates are awarded grades/CGPA instead of marks, the conversion of grades/CGPA to percentage of marks would be based on the procedure certified by the university/ institution from where they have obtained the bachelor's degree. In case the university/ institution does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100.

In case the percentage of marks in aggregate comes in fraction then percentage of marks in aggregate shall be rounded up e.g. 44.50 - 44.99 % shall be rounded to 45% and 44.01- 44.49 % shall be rounded to 44%marks.

***Candidates appeared for final year examination fulfilling the remaining eligibility criteria will be offered provisional admission subject to the condition that they will pass the examination with the required percentage of marks on or before 25th September 2016. If the candidate is failed and applied for revaluation of the result in such cases the admission to such candidate will be given on provisional basis subject to the condition that he/she will pass the examination with the required percentage of marks on or before 25th September 2016. Undertaking from such candidates shall be taken for forfeiting the right of admission and fees paid in case of not securing required percentage of marks in qualifying examination.*

In case, the candidate fails to produce the results of the final year examination on or before 25th September 2016, then admission offered to such candidate automatically cancelled and the fees (tuition, development and other fees) paid by the candidate of the academic year 2016-17 will be forfeited.
