

Continuous learning is the only way to stay relevant in today's fast-changing world: Mr. Sreekanth Arimanithaya, Chief Guest, inspires graduating students from MMS and Part-Time Program Convocation Ceremony, WeSchool

Mumbai, 6 April 2018: The convocation ceremony of graduating batches, MMS (Masters in Management Studies) and 3 Years Part-Time Master's Degree Program in Marketing, Human Resources, Information Technology and Finance, S.P. Mandali's Prin L. N. Welingkar Institute of Management Development and Research (WeSchool), Mumbai, was a lively event for students and parents to cherish. Mr. Sreekanth Arimanithaya, Senior Vice President, Integrated Workforce Management and India Co-Managing Director, DXC Technology, the Chief Guest; Advocate Shri S. K. Jain, Chairman, Managing Council, S. P. Mandali and Local Managing Committee, WeSchool; Prof. Dr Uday Salunkhe, Group Director, WeSchool and Dr. Santosh Tendulkar, Dean, Administration, WeSchool shared their experience and words of wisdom to achieve success in career and personal life, with students. Principals of leading colleges, Dr. Dilip Sheth, Principal, S. P. College, Pune; Dr. Suhas Pednekar, Ramnarain Ruia College, Mumbai and Dr. Shobhana Vasudevan, Principal, R.A. Podar College of Commerce graced the occasion.

Sharing some life-lessons from his journey as a professional, Chief Guest, Sreekanth Arimanithaya, Senior VP – Integrated Workforce Management and India Co-Managing Director, DXC Technology, said, "Life is full of concrete experiences; we must reflect and learn from our observations. Learning is a continuous process and doesn't complete in a day. Hence, learn persistently. Lastly, as humble individuals, one must never forget where one comes from. Always express gratitude towards family, the main source of energy; teachers and professors, who have helped in every part of our life."

Emphasizing on the technological changes in the fast-paced world, Advocate Shri S. K. Jain, Chairman, Managing Council, S.P.Mandali and Local Managing Committee, WeSchool, said, "Technology is playing a vital role across businesses. The rising role of technology suggests that change is inevitable. As young and growing professionals, keep relearning as you transform to another level in your careers. I wish all students the best in your future endeavours as you begin your new innings in professional life."

Highlighting the role of global leaders, Prof Dr Uday Salunkhe, Group Director, WeSchool, said, “In today’s well-connected world which is evolving with global disruptions, it is important to become an agile learner and execute ideas into actions. Therefore, I urge all to never settle for the goal you have achieved today. May sky be the limit for all your future projects.”
